

**BODY & BLOOD OF CHRIST  
19TH JUNE 2022**

**EXPLORING THE WORD**

The attitude of Jesus towards the crowd is starkly contrasted with the attitude of the Twelve. Jesus welcomes all who come to him, patiently explains his message of the kingdom and offers healing to all those in need of it. By contrast, the Twelve, anxious about their paucity of resources, suggest that the crowd must be sent away to search out their own nourishment. Jesus presents for them a model of how they should respond: with generosity and trust in God. Significantly, Jesus hands back the food to the apostles to distribute among the crowd. They are given the ministry of feeding the multitude. For Luke, the Twelve are the foundation of the Church. This Church, founded on the Twelve, must never cease to nourish those who come seeking healing and the kingdom. The Church is made up of its members, so each one of us has the responsibility to use what resources we have to meet the needs of others.
