EXPLORING THE WORD

Today's Gospel reports two stories of healing. One tells us about a father's great love for his dying daughter. The other tells us about a desperate woman who risks much as she seeks healing from Jesus. In each story, the request for healing is itself a courageous act of faith, and yet very different circumstances are represented by the lives of each suffering person. One is a man, the other is a woman. One is a public official, an important person in the community. The other is a woman who has lost everything to find a cure to a condition that separated her from the community. One approaches Jesus publicly, the other secretly. Yet in each case, faith leads them to seek out Jesus in their time of need.

The Gospel concludes with Jesus' instructions to remain silent about this miracle. The reader of Mark's Gospel must make their own judgment about Jesus' identity and each individual must make their own act of faith in affirming Jesus as God's son.

FAREWELL FR LARRY

Fr Larry has been asked by Bishop Steve if he could assist other parishes who are without a Priest or if the Priest is in some need of relief, around the diocese, so our loss will be the diocese gain. We wish Fr Larry all the best as he assists the Bishop and the Diocese in this way.
